The Farm Clubs will hold a picnic on the Gasconade river, at Newton ford, August 12th. Music and entertainment will be furnished by the various clubs. Mr. Wadsworth will give a short talk in the forenoon. We will eat dinner from twelve to one. At one a swimming contest will take place, after which we will have a potato race, an egg race, and a nail driving contest. All ladies who wish to drive nails, bring No. 6, nails and a hammer. The winners in each contest will be awarded a prize. At two we will be called together to sing farm club songs, after which Mr. Wadsworth will again address us. Everybody come, bring your wading clothes, and well filled baskets, drink lemonade, and enjoy yourself. Let's endeavor to make it the best get-together meeting of the season.

Has Never Seen Their Equal.

I have used Chamberlain's Tablets for stomach trouble, biliousness and constipation off and on for the past ten years. I have never seen their equal yet. They strengthened my digestion, relieved me of headaches and had a mild pleasant action on my bowels. I take pleasure in recommending them, writes H. D. F. Parmenter, Cridersville, Ohio.

A Special Demonstration Car Here at Mansfield.

The Missouri State Poultry Experiment Station, located at Mountain Grove, Missouri, has spent a great deal of money and energy in preparing a special poultry demonstration car, which will tour the different sections of the state during the next few months.

Through local assurance that this community would furnish them a good audience and plenty of interest, we have succeeded in getting Mansfield placed on the official schedule. This car will arrive here Wednesday, August 24, on train No. 102, at 5:10 a. m. It will be open for general inspection and round table discussions during the entire day.

RECORD OF THE PAST.

No Stronger Evidence Can Be Had.

Look well to their record. What they have done many times in years gone by is the best guarantee of future results. Anyone with a bad back; any reader suffering from urinary troubles, from kidney ills, should find comforting words in the following statement.

R. L. Martin, Carpenter, Cabool, Mo., says: "Doan's Kidney Pills certainly are a fine old kidney remedy and I am glad to say a good word in praise of them. Some time ago my back and kidneys were all out of sorts. When I tried to bend over it hurt my back and sharp pains would shoot up through my back and I could hardly straighten up. My kidneys were in bad shape and caused me to feel miserable. One box of Doan's Kidney Pills cured me of this trouble. Doan's are certainly a fine kidney remedy."

The above statement was given July 28, 1916 and on January 12, 1920, Mr. Martin said: "I haven't had any further need of a kidney remedy since I recommended Doan's Kidney Pills. I am glad to confirm all I said at that time." 60c at all dealers. Foster-Milburn Co., Mfrs. Buffalo, N. Y.—Adv. No. 56

In addition to the many interesting exhibits and information that can be acquired by visiting the car, special arrangements have been made whereby several lectures by poultrymen with national reputation may be heard. Through the prestige of the local committee it has been arranged to have two programs held here, one at 2:30 p. m., and the other at 7:30 p. m. Mayor J. E. Craig, chairman of the local committee, assures us that a day spent in Mansfield will be worth many dollars to farmers and poultry raisers of this community.

Shiloh.

When we got the Mirror this week and looked over it, we were very much disappointed to see that there was not an account of the fifth Sunday meeting at Shiloh. We were in hopes that a more able pen than our's would see fit to write it. So we wish to say we had a very good meeting, both on Saturday and Sunday. The most of the subjects on the program were very ably discussed; a few were omitted on account of lack of time. We had some excellent sermons, but will mention no special one, as we consider that everything in the meetings was exceptionally good, and Shiloh will gladly entertain the people whenever they see fit to honor us by coming again. Owing to sickness the dedication was postponed, but the committee is trying to arrange for it in the near future.

Bro. Roberts has been called as pastor of Shiloh church for another year. We think the church fortunate in getting Bro. Roberts. He filled his regular appointment Saturday night and Sunday.

Mr. Sturgeon has been resting easier the last day or two.

We were glad to see that Andrew Seals was again able to come out with his family to Sunday school and preaching.

Miss Josie Pearson is well pleased with her school at Oak Forest. She thinks her scholars are the best ever.

Mr. and Mrs. Henry Hizer, Mr. and Mrs. Carl and granddaughter Alice visited at Dave Ellis' Wednesday.
